

The Latch: 2024 Schedule and "Extras"

The Latch

The Latch is a moms' group who meets weekly. The purpose of the group is to offer moms an opportunity to meet with other moms, weigh their babies, learn about breastfeeding or infant care, and ask questions from the lactation consultant who will be leading the group.

No registration is required to join this group on Tuesdays from 10:00 to 11:00 AM. From June through September, The Latch meets at the Lion's Park in St. Croix Falls, WI, weather permitting. Beginning in October or if weather does not permit, meetings will be held in the Riverbend Conference Room in the lower level of the St. Croix Regional Medical Center.
